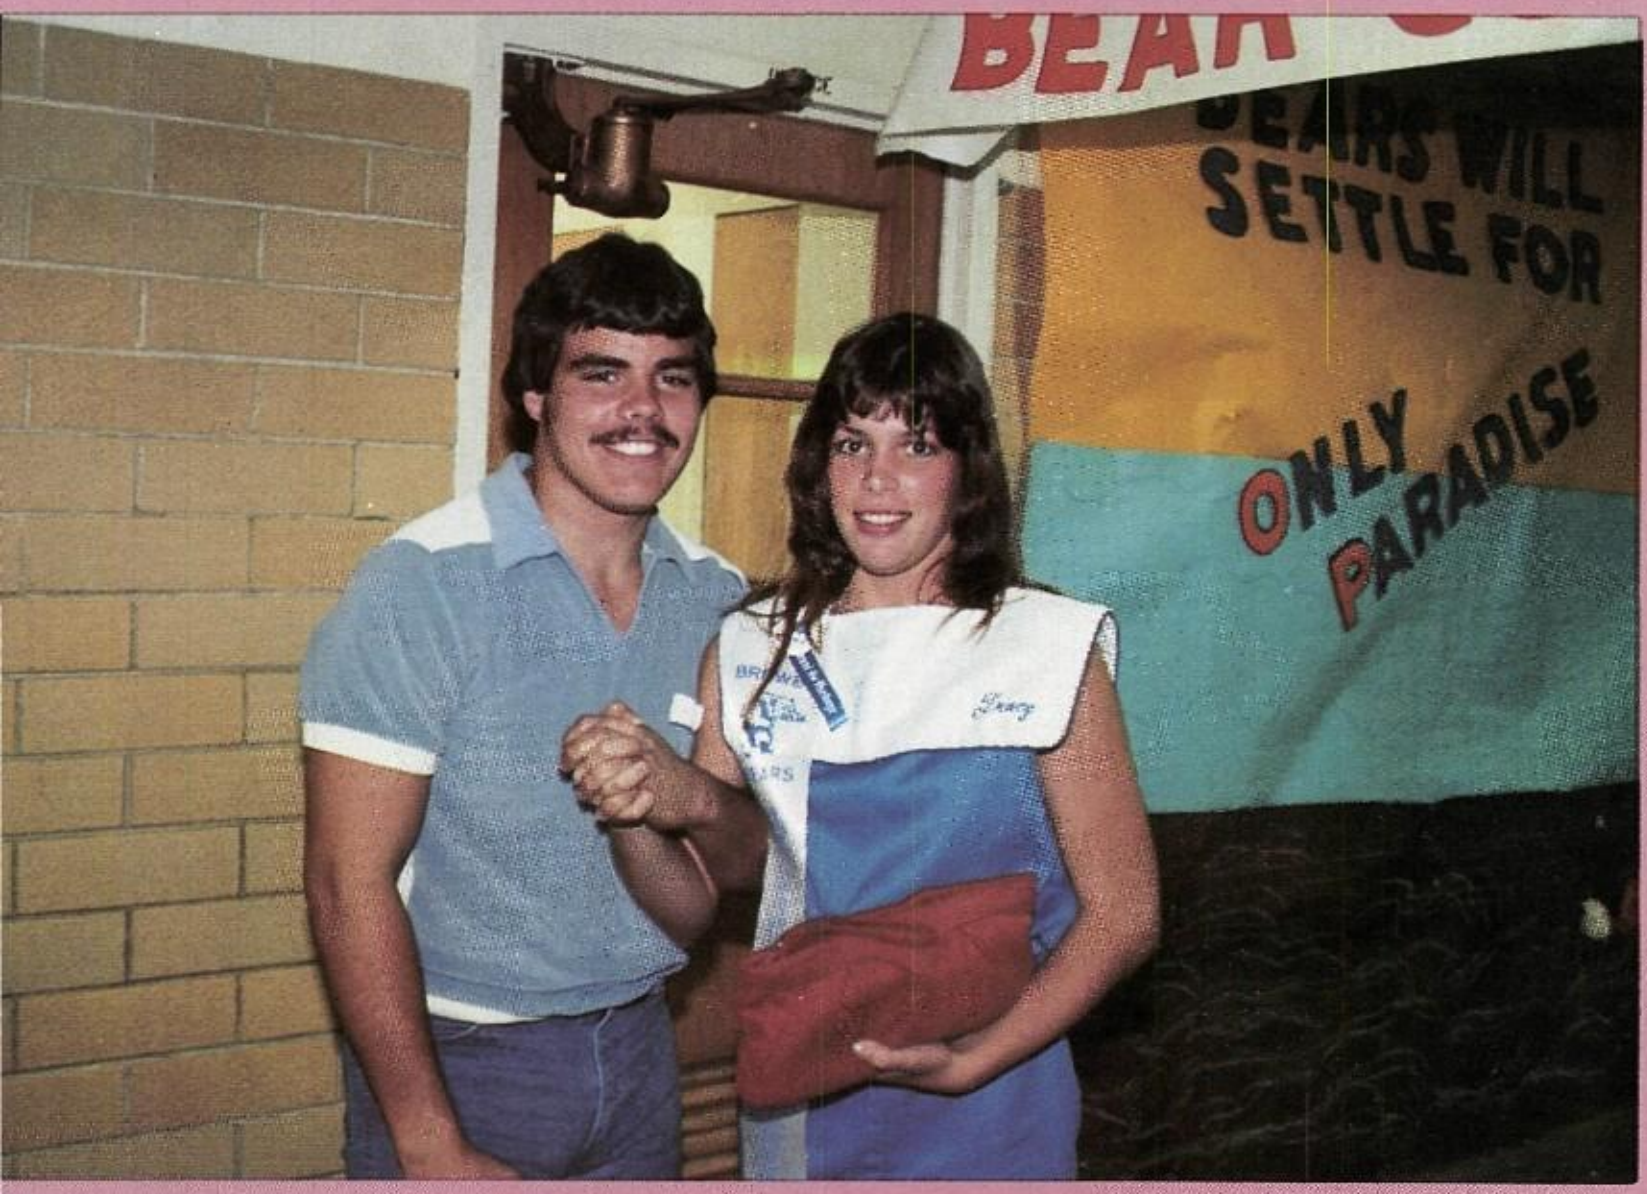
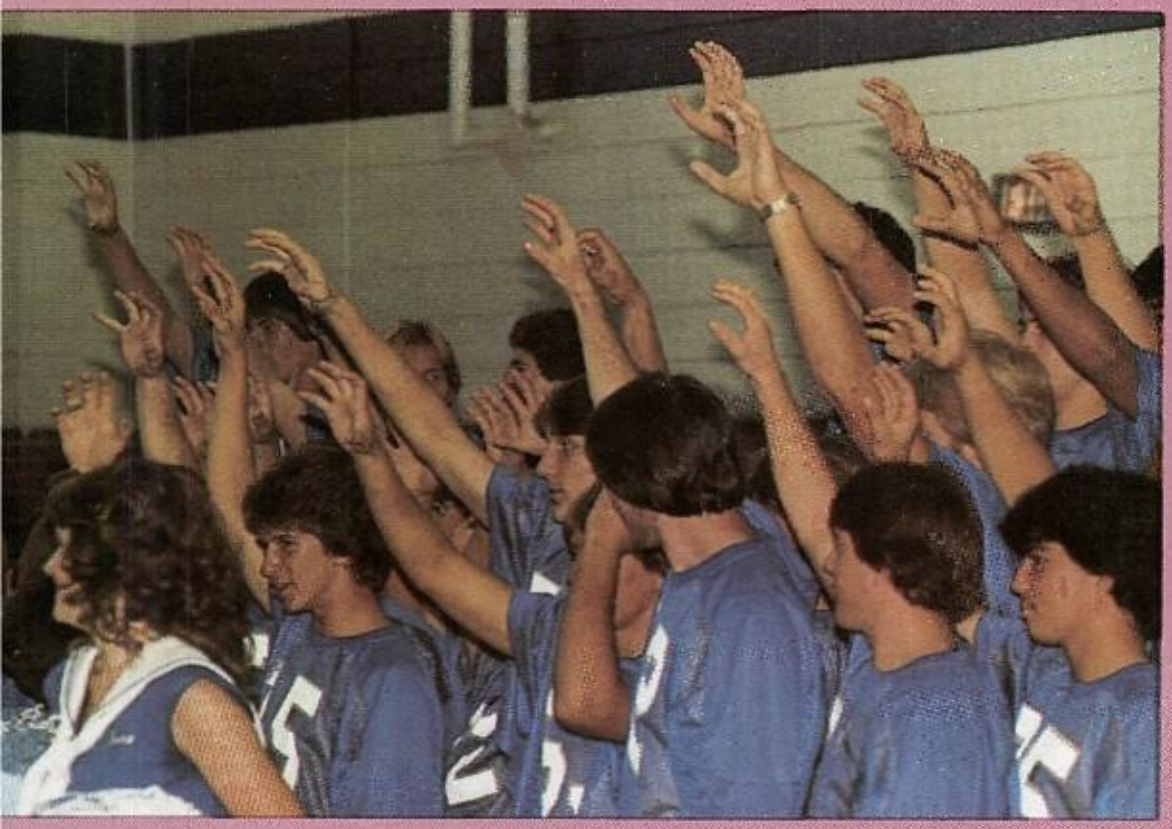
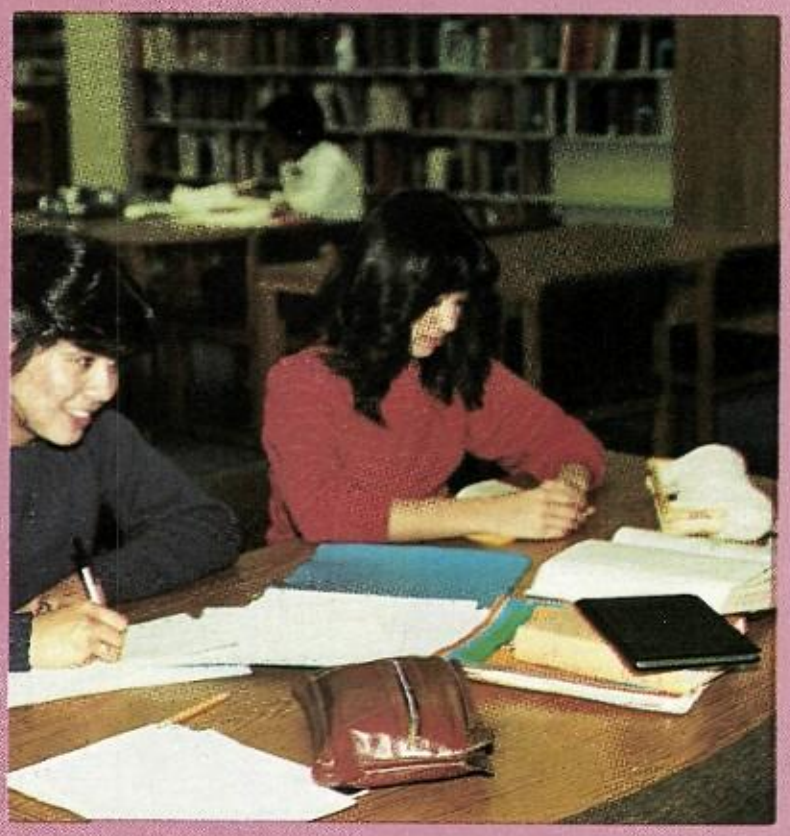
We're Proud

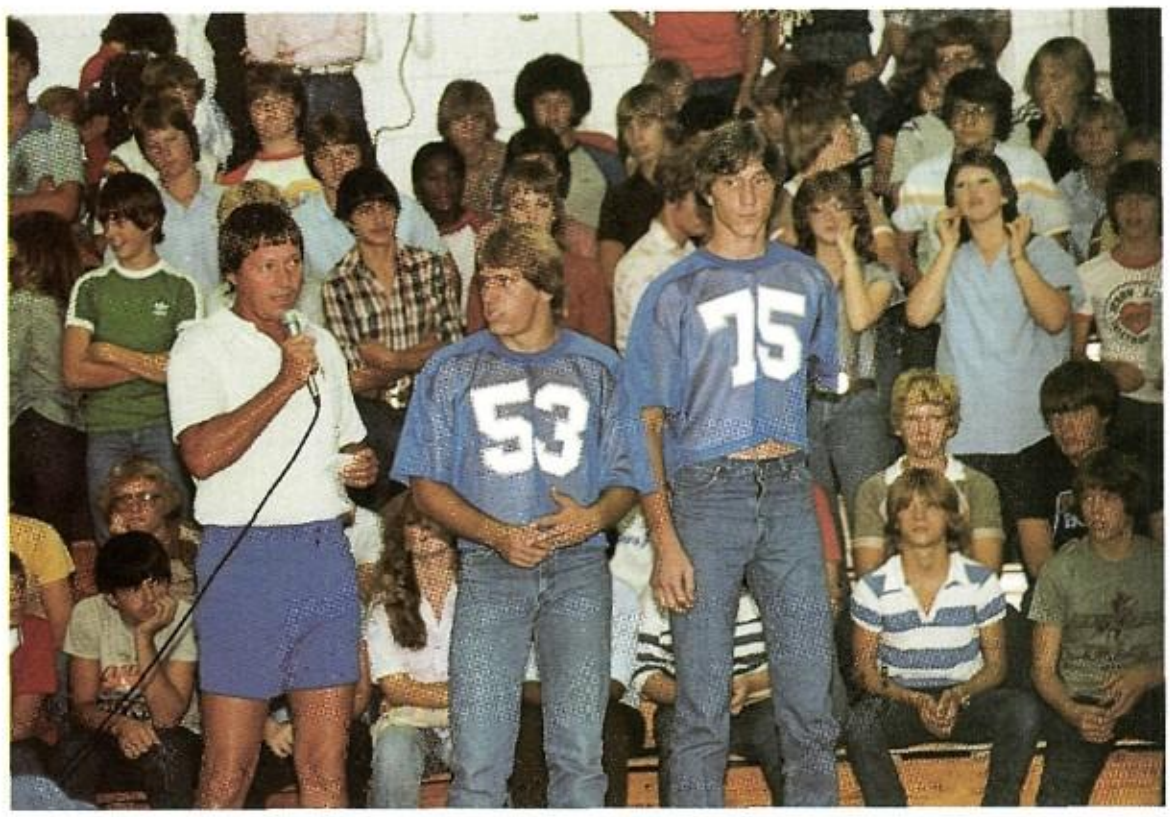




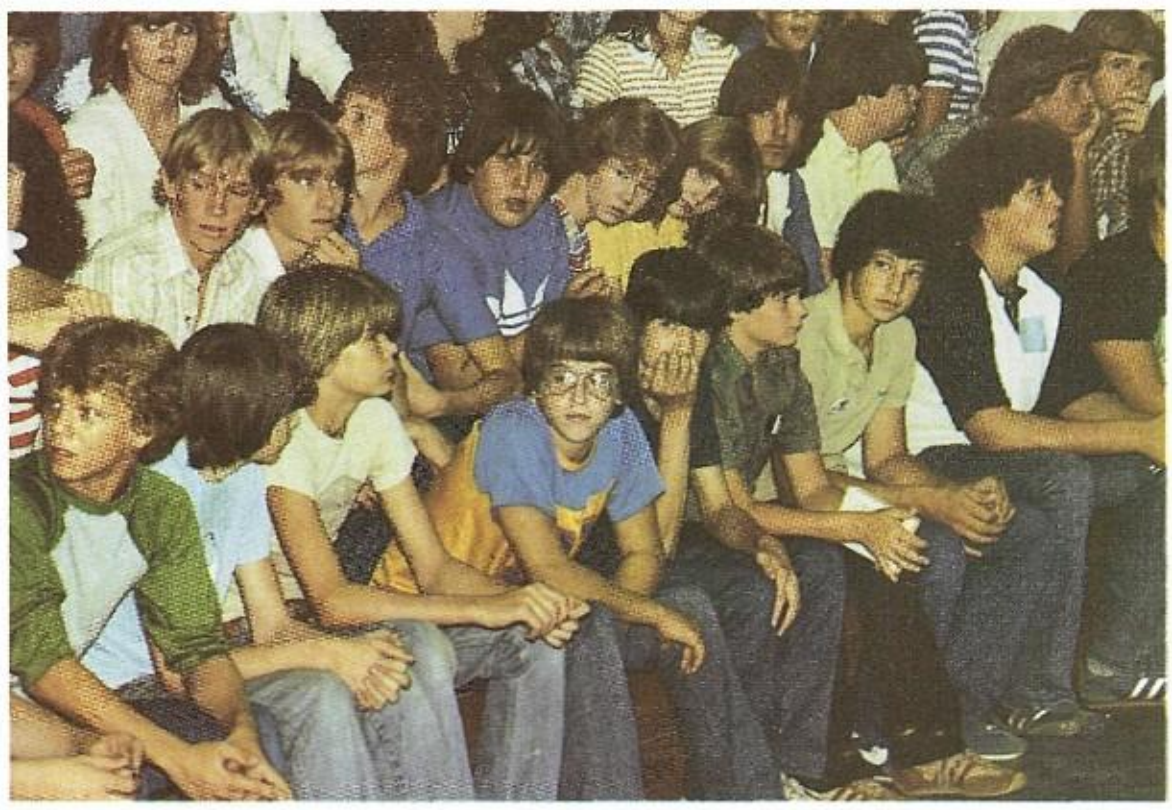


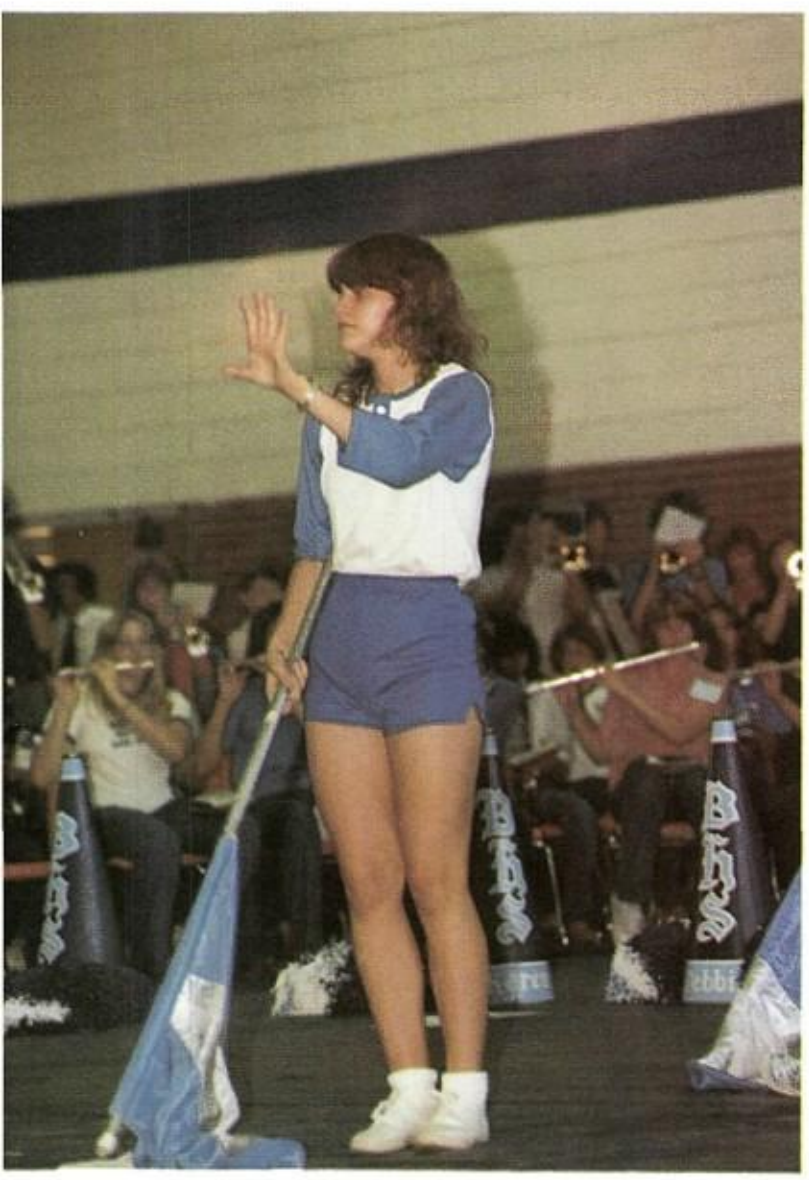
We at BHS have every reason to be proud. We have a winning football team and a number one band. Not only do we have extracurricular activities that strengthen our physical being but our inner man is strengthened by teachers who care about our students and the many advantages we have to further our knowledge through career training, science math, and English. We are proud of the fact that we have the opportunity to become well-rounded, creative, and intelligent adults.

We've Got Spirit, How 'Bout You?

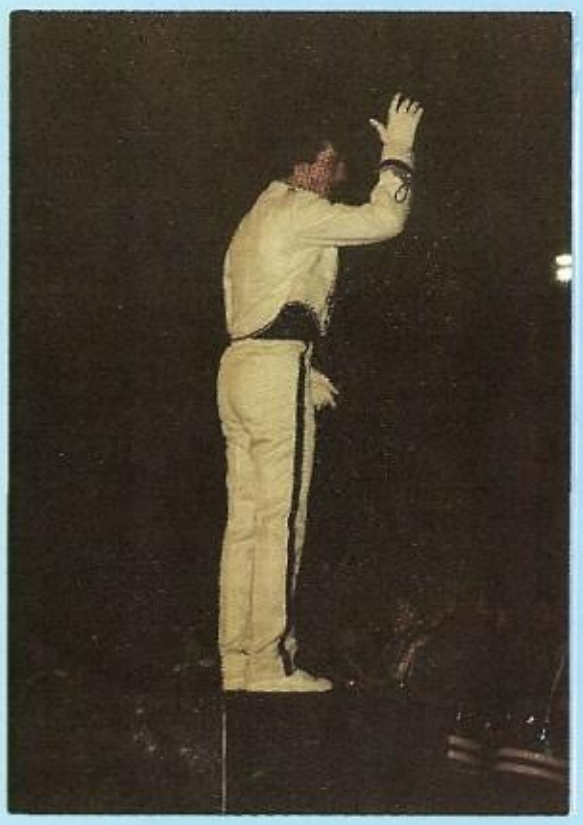


Pep rallies are a very important part of the week. They are a culmination of a week's worth of practice and planning and they are a production designed to instill a sense of school pride in our football team and in our student body.





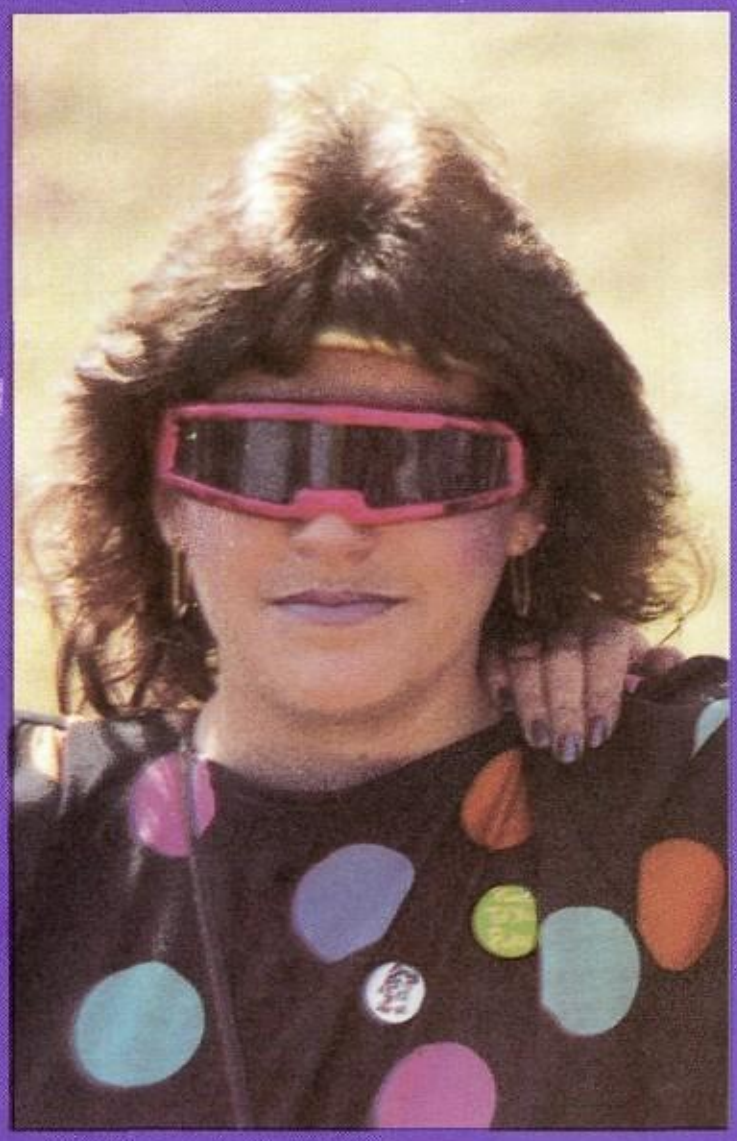
Band's Got More



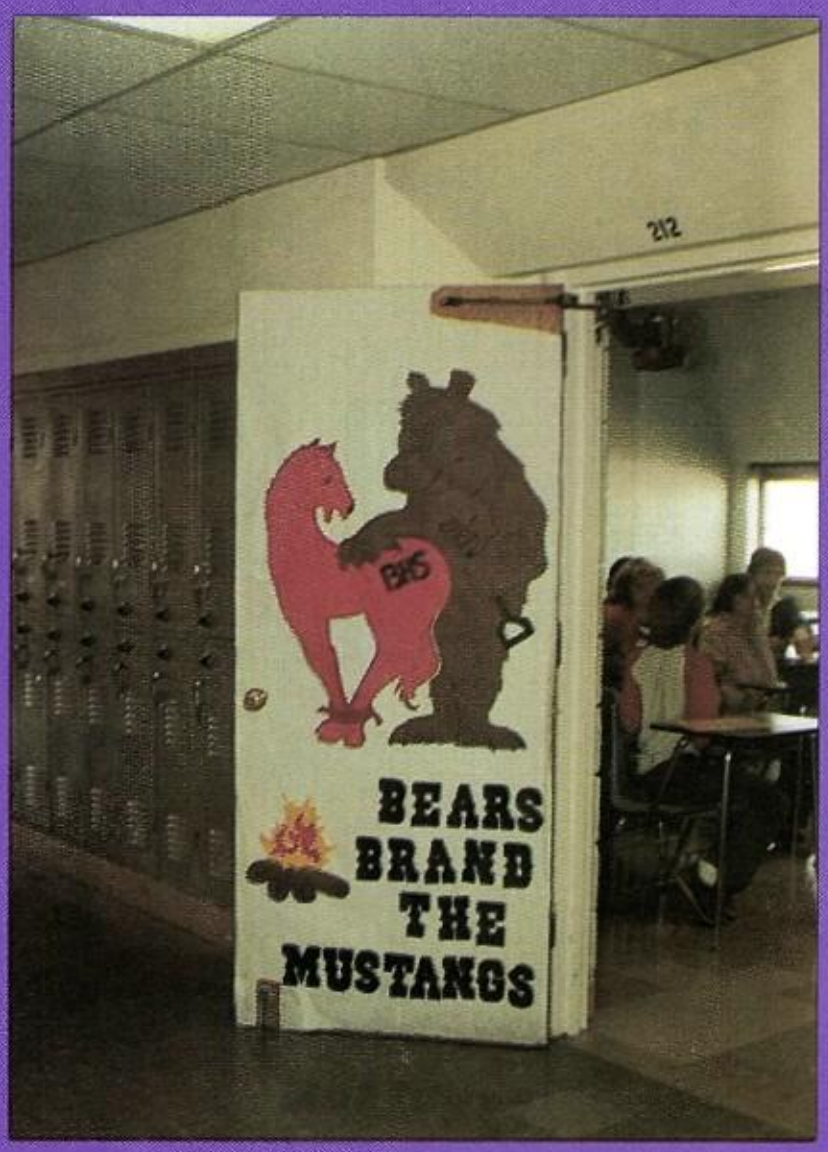
Having a band that has received as many honors as the BHS band cannot do anything less than produce a sense of self-esteem and accomplishment in all of us.

But first place is not an easy plateau to attain. It takes hard work and alot of extra time. During football season the marching band spends many early hours of practice before school so that it can give the other members of the student body a half-time show that makes us all proud to say that we're from Brewer High School.

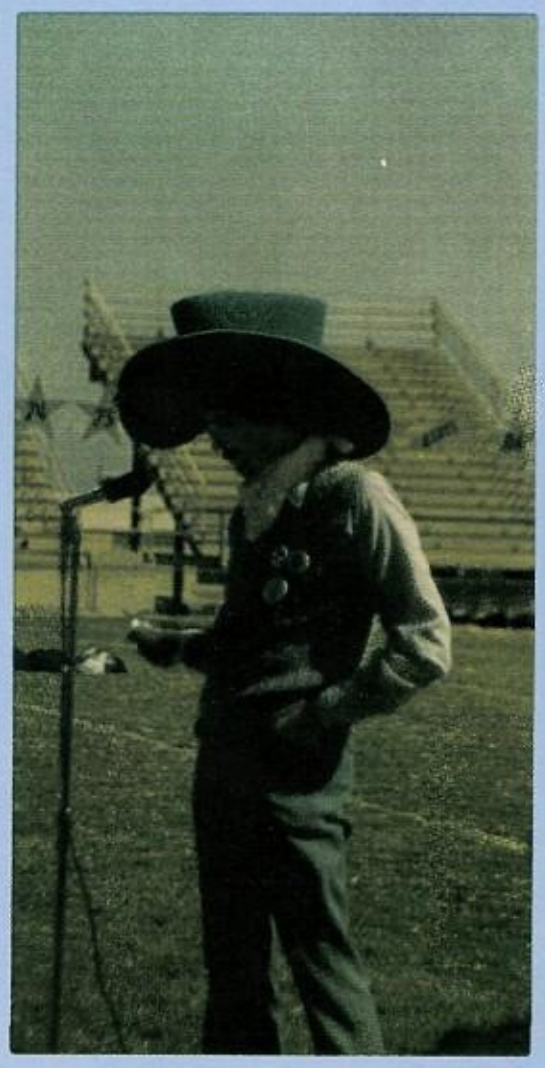
We've Got the Beat



Homecoming week is not only an exciting time but a time when alot of spirited students spend many hours putting their creative powers together to bring about an air of expectancy. This page and the following pages are a sequence of events beginning with Punk Day and finalizes with pictures of our exes.



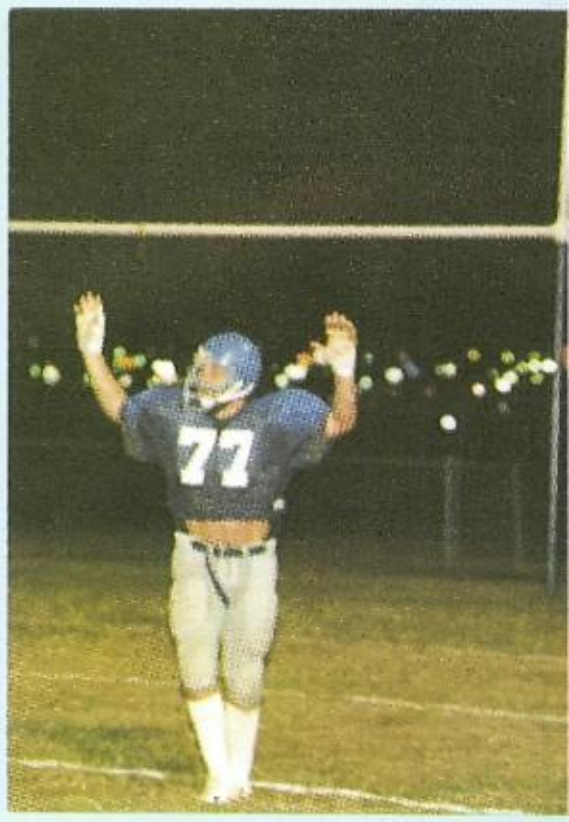
We're the Best



Homecoming pep rallies have always been known for having extra spirit; this year's was no exception. It was highlighted with costumed Cheerleaders and guest speakers. Spirit and fun were both in evidence, making the outdoor event an overwhelming success.

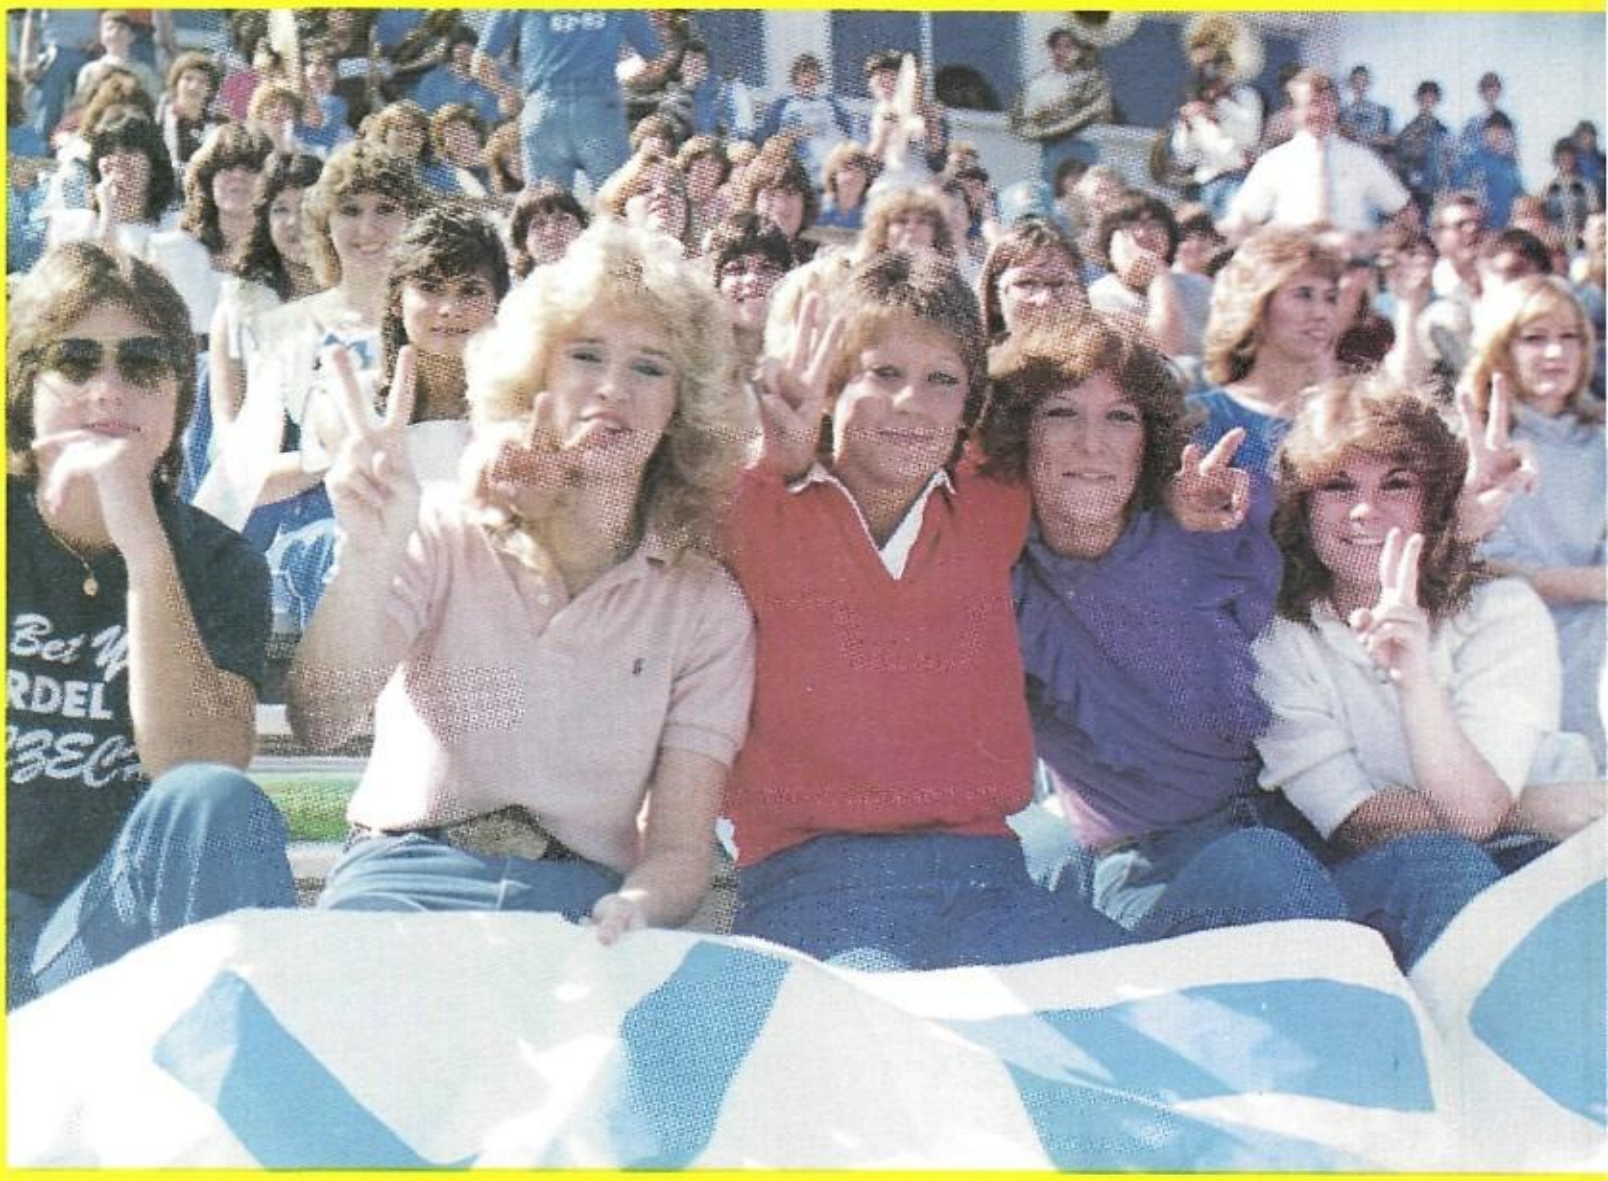
Homecoming is an exciting time for everyone, but for the girls on the Homecoming Court, it is a once-in-a-lifetime thrill. An air of expectancy fills the stadium in anticipation of a new Homecoming Queen. This years' title is rightfully bestowed upon senior - Lori Stanford. Her court includes seniors: Monda Idell, Linda Jenkins, Terri Stephens, and Robbin Williams. All are well-deserving candidates and are congratulated on their nominations.

Knock 'em Upside the Head



Without football there would be no band at half time, no pep rallies, no homecoming excitement, no hall decorations and nothing to look forward to on Friday nights. We have a winning football team here at BHS and we have reason to cheer.

Exes Have Spirit Too



For the exes homecoming is a time of renewing old friendships and reviving high school spirit. The exes participate in the homecoming festivities by judging door and hall decorations and have a special place in the daytime pep rally and half-time show homecoming night. No homecoming would seem quite right without the special excitement brought about by our exes.

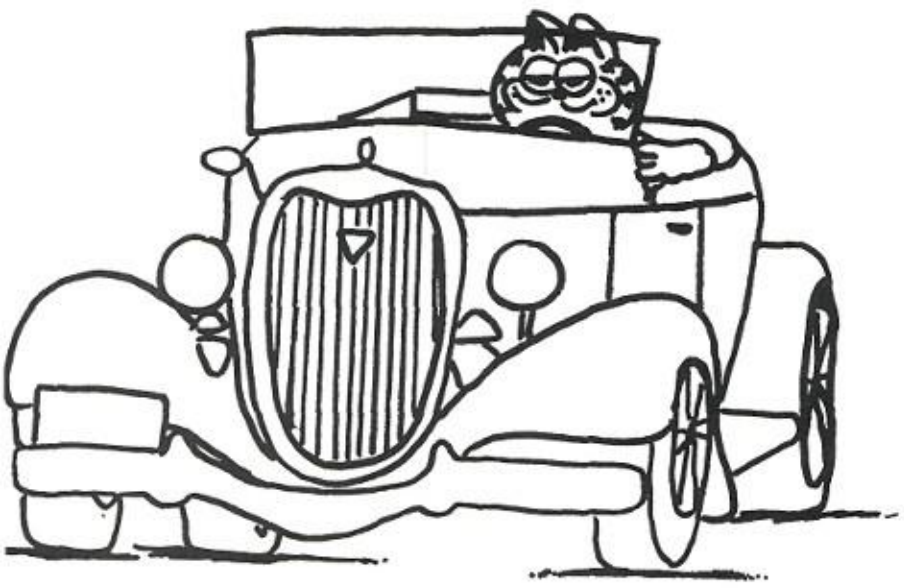
SENIORS



RENEÉ DELOSSANTOS

The thought of graduating from high school is exhilarating. This happy thought began when our seniors first entered high school as starry-eyed freshmen. This year's seniors are a fun-loving group who have also learned to be serious-minded students. This summer will be filled with lots of fun before they turn to their new lives as college students, parents, or business people. Good luck to all the graduating seniors and we hope you carry with you all your lives the spirit of Brewer High School.

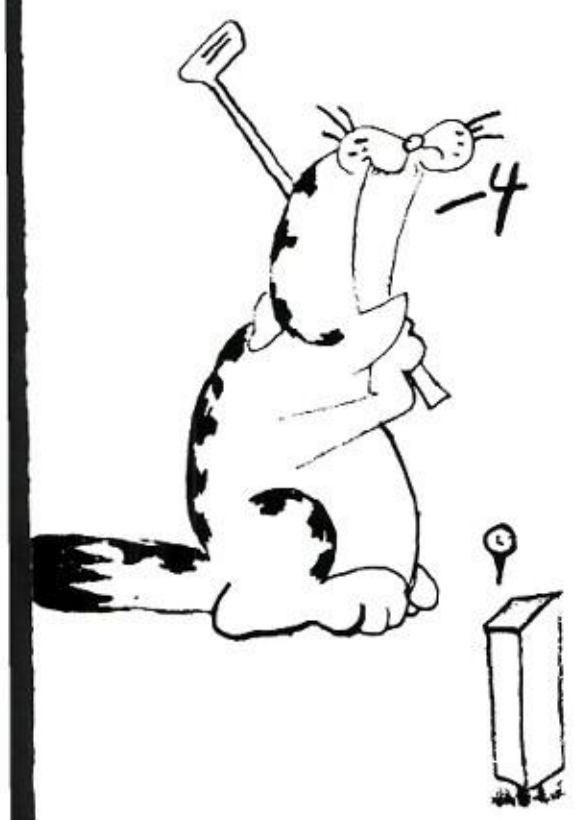
Sports



It is a tribute to our school that we have such a high regard for competition and physical sport. It is in the area of sports where we find that the spirit of our school really stands out. The students who turn out for sports events exhibit pride in their school and the students who play these sports display their prowess and their loyalty. The coaching staff instill in their team members a desire to be winners and this desire to be a winner is essential for a successful life.

Varsity Football North Zone Champs

The Brewer Bear football team has kept the respect of many people in the community due to their strategic teamwork. The nine and one season of the Brewer Bears has meant an enormous amount to every individual on the team. First of all the Bears defeated the Azle Hornets with a thirteen to three victory; then after preparing for Mansfield, the Bears were off. Unfortunately, the Bears lost at Tiger Stadium. However, after this loss between the Bears and Tigers the team must have hit a winning streak. The next eight games which were against the Crowley Eagles, Diamond Hill Eagles, North Side Steers, Poly Parrots, Grapevine Mustangs, Castleberry Lions, Carter Eagles, and the Keller Indians were great successes. After this year of victories the Fighting Brewer Bears were looking forward to the district play-off game against the Brownwood Lions. No one was more disappointed about the forty-one to zero loss to the very tough Lions than the members of this proud Brewer football team. The loss was disheartening, but when considering the fact that this Bear team was picked to finish no better than fourth in t North Zone; a team that had no offensi starters back from the 1981 team; a tea that had the character to overcome ma injuries and still finish nine and one; and a team that started only three seniors defense against the Brownwood Lions in t play-off game at Clark Stadium; the succe experienced during the season far outweig the loss of this one game. All the membe of the 1982-83 squad can be proud of the fa that they have been an integral part of Brewer football tradition that deman success and commands respect.

Football Sweetheart

This year the honor of Football Sweetheart was awarded to Senior, Monda Idell. Monda is an active two-year member of cosmetology. She is also a one-year member of the Honeycomb Drill Team. We extend our congratulations to Monda as this year's Football Sweetheart.

Coaches kneeling left to right: Mr. Butler, Mr. Stewart, Mr. Stephens, Ms. Kohn, Mr. Davis, Mr. Benefield, Mr. Roller, Mr. Gonzales, and Mr. Hart.

The coaches of Brewer High School are very serious about their sports and hope their young men and women will play to their best ability. The Brewer coaches consist of eight coaches and one trainer. Coach Davis is the head coach at Brewer High. Mr. Stewart coaches varsity football, track and teaches geometry. Mr. Benefield coaches varsity football, J.V. baseball, and teaches health. Mr. Butler coaches varsity football track and teaches World History. Mr. Stephens coaches varsity football, varsity baseball, and health. Mr. Roller coaches freshmen basketball, J.V. football, and teaches Government and Free Enterprise. Mr. Gonzalez coaches freshmen football, and teaches World and American History. Mr. Hart coaches freshmen football, freshmen basketball, and teaches English. Our first female trainer Gail Kohn, took full control this year of the Athletic department, helping all the athletes with their injuries. She also teaches health. The athletic staff of Brewer High School has been an excellent source of motivation to all the students who are around them. We hope that this dedicated staff has the ambition to return and make the 1983-1984 season as successful as they have made this year.

The varsity volleyball girls have finished a tough season. They are one of the hardest working teams I have coached. We worked hard but we seemed to have hard luck. Our season started off slowly, however, we won our first district match against Diamond Hill. Northside then squeezed past us. We came back with a strong win against Poly then fell to Northside after 3 games. It took 3 games for Grapevine to beat us and we then lost to Castleberry. The girls came back strong against Carter Riverside and won. Alas, we ended the first round of play losing to Keller.

The second round proved to be exasperating for the team. Losing to Diamond Hill after two games, Northside after 2 games, Poly 2 games, Grapevine 3 games, Castleberry 2 games, and finally beating Carter Riverside in 3 games. We ended the season with a 2 game loss to Keller.

Although our season standings are not strong I am proud of these girls and I enjoyed working with them very much.

To the graduating seniors: Terri Stephens, Dana Fields, Linda Jenkins, Gina Wiggs and Virginia Slaughter and manager Tina Kisselberg, thank you for giving me the opportunity to work with ladies of your calliber. I'll miss you.

Basketball Sweetheart

This year's Basketball Sweetheart is a very active young senior, Angie Shelton. Angie has been a student council member four years, a National Honor Society member three years, and was awarded Senior Favorite this year. She was a class officer her freshman and sophomore years and a member of the basketball team four years. For the past four years she has been a highly-spirited BHS cheerleader. We extend our congratulations to Angie Shelton for being elected this year's Basketball Sweetheart.

Bear's Golf Team

Left To Right Terry Cox, Coach Kincannon, Scott Marshall, Kerry Barrett, Chance Welch, Chad Davis.

Golf does not get a lot of recognition at Brewer but it definitely has its place here. This year's team is young but it is one that has members who are skilled and experienced. According to Webster's Dictionary golf is "an outdoor game played on a large tract of land with a small, hard rubber ball and a set of slender-handled clubs, the object being to drive the ball into a series of small holes with the fewest possible strokes."

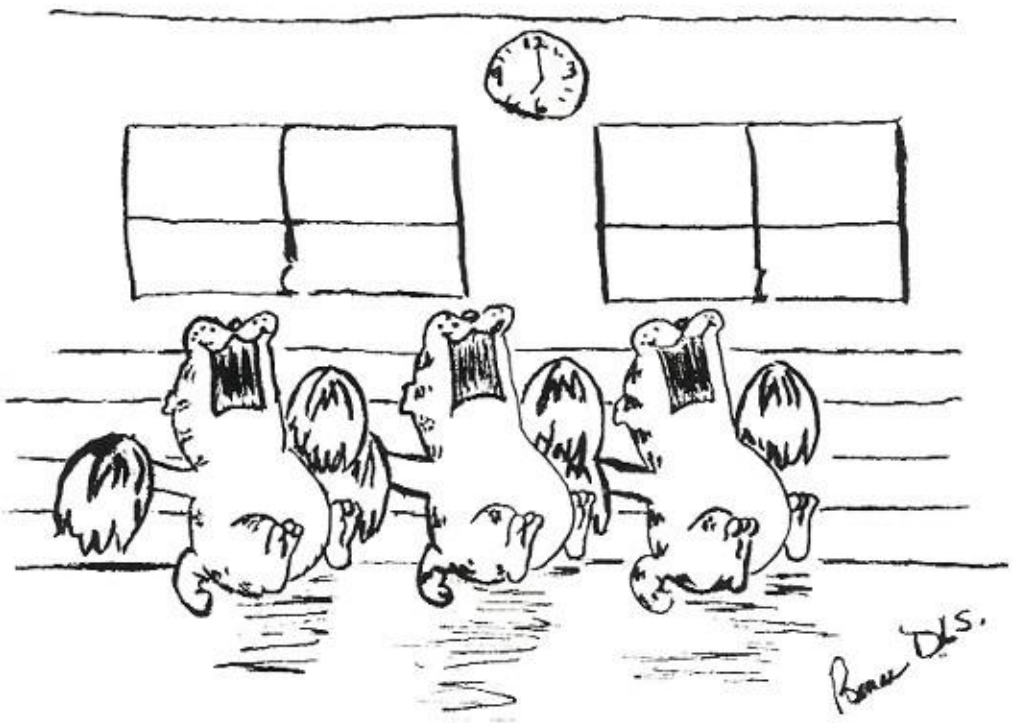
A more personal look at the game comes from some of our Brewer golfers. "It is a challenging game," says Kerry Barrett. "It takes practice and skill. I practice a couple of hours each day, five days a week after school. One thing I enjoy about the sport is that a person can play golf all his life whereas with other, more physical sports, the player is age-limited."

"It's a fun game," says Terry Cox, "I don't care for the practice but I enjoy the competition between schools. I've been golfing for six years; my brother taught me." Coach Kincannon has really been a big help to Terry by instructing him in the fundamentals of the game.

Chad Davis has been playing golf for five years. He attributes his proficiency to his dad who is himself a very good golfer. "I play about 9 holes with my dad every day or every other day." Chad, who also plays football, compares the two sports and, aside from the obvious differences, he finds that he likes the individualism of the game of golf, "With football, you play as a team and score as a team; with golf, you must depend on your own score."

Chance Welch, who has been golfing five years, became interested because his father and brother are golfers. About the sport Chance says, "The things I like about golf are that you don't have to be in top physical condition or physically large to play." About practice he says, "You wouldn't think that you would have to practice very much, but you do." Off-season football takes away from much of the time he'd like to spend practicing golf but he goes on weekends.

Organizations



Our organizations keep alive our spirit of fun and at the same time teach and strengthen us. We are very fortunate to have such a wide variety of organizations because we are able to serve in areas where we are most needed and also where we will most benefit. Some clubs carry with them a tremendous amount of responsibility, others are concerned with the activities within the school, some focus on music, others on matters of the mind. Regardless of the kind of club you choose, its main intent is to prepare you for life outside of the school.

Varsity Cheerleaders Have Spirit

The 1982-83 varsity cheerleaders, with Lori Stanford as head cheerleader, have done a great job in raising the school spirit. At East Texas State summer camp, they won the spirit stick five out of five times, the mascot spirit stick four out of five times, nine superior ribbons, two excellent, and a most improved ribbon. With the new sixth period cheerleader class, the cheerleaders now have more time to practice cheers and paint signs. At the Friday night football games, their efforts can be seen in their new difficult-to-perform cheers. The cheerleaders should be congratulated for a job well done.

Freshman Cheerleaders

The freshmen are newcomers into the high school but they are doing a great job. Under the supervision of the freshman cheerleaders, the freshmen have shown great spirit by winning the spirit stick and supporting school activities. Miss Ponder, leader of the squad, has a big part in helping the girls do pyramids and other stunts. The freshman cheerleaders consist of Sabrina Petty, Robin Ellis, Tiffany Johnson, Melony Blassingame, Angela Robello and Christy Razor. These girls have done so much for school spirit by having practices during the summer and going to camp and also by just taking part. We should congratulate these girls for a job well done.

Junior Varsity Cheerleaders

The 1982-83 Junior Varsity Cheerleaders have a great squad. They all show enormous amount of spirit. Under the strong leadership of Miss Ponder, the Junior Varsity squad has led our team to have high spirit. The Junior Varsity squad consists of juniors Charlisa Knight and Elizabeth Leal and sophomores Stefanie Mulford and Kim O'Connor. There is no specific captain of the squad, the girls take turns at leading the team. We should commend these girls for their pride and hard effort.

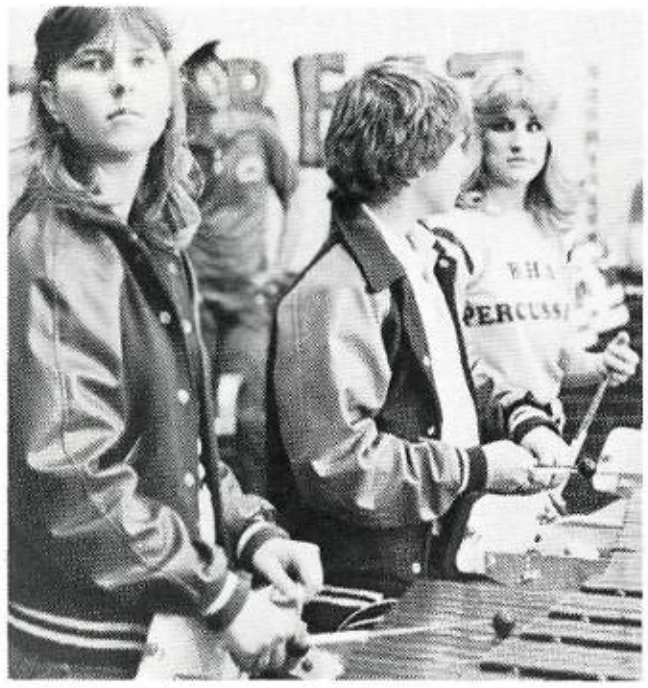
Marching Band

The Brewer Bear Marching Band has had a great year. They received straight ones at the Cleburne Marching Contest in October. About two weeks later the band went to the Region 5 U.I.L. Contest and received straight superior ratings. The Bear Band was the only band to receive straight superior ratings by all three judges in class 4A. The band was then off to State. They did a great job at representing White Settlement at Austin. We should congratulate the band for a job well done. Keep up the good work!!



Band Sweetheart

Caressa Dollahite has been a band member since the sixth grade. She is now a member of both the symphonic and jazz ensemble bands. Last year she recieved a superior for her solo performance of "Scene in Air". For the past two years she recieved a superior rating at UIL contest for both solo and ensemble. For the past four years she has been a member of the all-region band and she was also selected for the TWC Honor Band. These aforementioned honors are only a few of her accomplishments so it is easy to see why she was chosen this year's Band Sweetheart.

1982-83 Majorettes

The Majorettes, who go to various contests, have been rated straight ones throughout the year. They consist of Senior Kellye Reeves, Juniors Lisa Barnes, Stacey Draper, and Sophomores Terri Collett, and Andi Reeder. This group is under the strong guidance of Mrs. Johnson and has done well. These girls get up every morning to march with the band; they also perform various routines in pep rallies. This year the girls have twirled fire and also all of them have their solo feature during the Hungarian Rhapsody. In May the girls will be going to State to be judged by very tough judges. Good luck and keep up the hard work.

Flag Corps

The Flag Corps is a group consisting of thirteen members. Under the supervision of Laurie Hartley and Jeanine Kuhlman the Flag Corps has improved from past years. The Flag Corps also does a great job at coloring the band with their blue and white flags. Mrs. McCormick, the sponsor, has said that she wants to have good, precise routines and spirit.

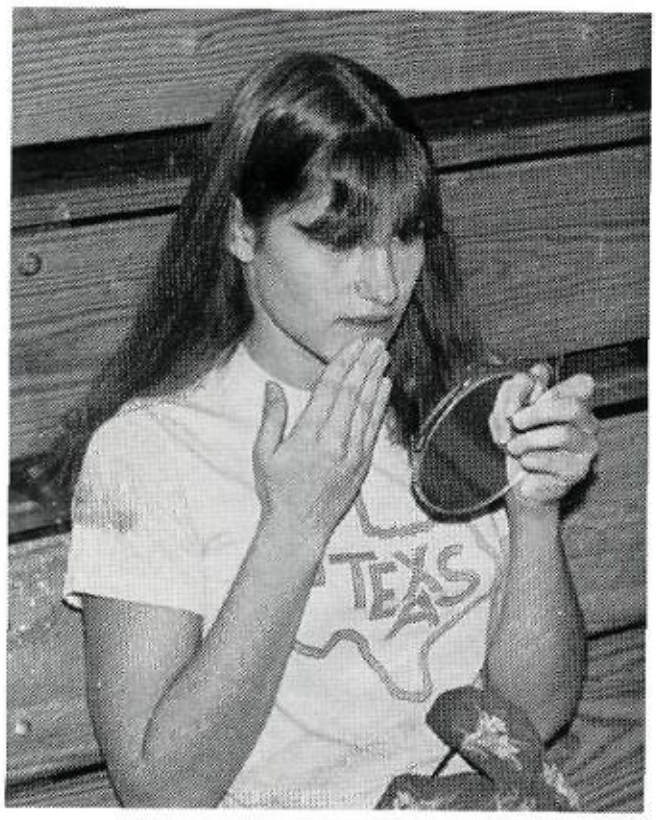
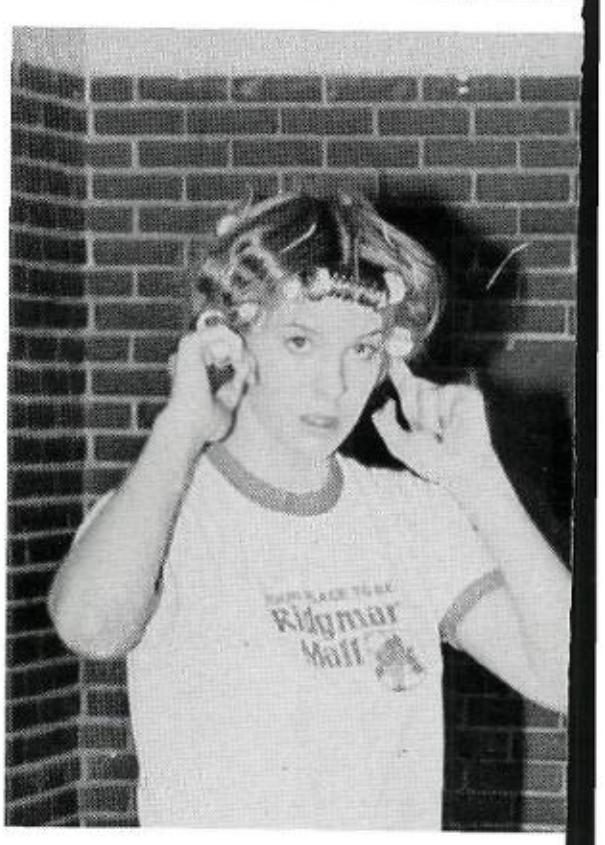
1982 - 83 Honeycombs

This year's Honeycomb Drill Team was hardworking and dedicated to having a good season. Despite early practices and backbreaking (and muscle-stretching) work, the girls stuck with it and earned recognition as an outstanding team. They also helped raise school spirit at pep rallies and football games. The Honeycombs should be commended for their efforts.

Janet, JoAna, and Chris have varying reactions to a new routine (above right). Mary says, "I knew it was bad, but nobody told me it was that bad!" (right). Nannette knows how hard it is to be glamorous early in the morning (far right).





Honeycomb of the Year

Honeycomb of the Year for 1982-1983 was awarded to Cindy Holcomb, a senior. Cindy has been on the drill team for four years and served as lieutenant her junior year and captain this year. She received all-star dancer and honor roll for most-outstanding. Cindy also participated in NHS, annual staff, Key Club, Young Christians, stage band, YAC, and served as Language Club secretary and senior class corresponding secretary. Cindy has many memories of drill team and comments about her experience, "Drill team has been a large part of my life, but it's been time well spent. I feel the teamwork and friendships have helped me prepare for the challenges that lie ahead." Mrs. Roller, drill team sponsor, says, "Having Cindy as a captain this past year has been a tremendous pleasure as well as being a super big help; I don't believe anyone could have carried the honor of Honeycomb of the Year as well as she has. Thanks a lot, Cindy!

Woods and Water

"Woods and Water is Brewer High School's outdoor program. The group includes over fifty students. Our objectives are simply to have good experiences and good times. Activities have ranged from afternoons at the zoo to weekend camping trips. In the future we hope to plan a canoe trip, picnics, and more weekend outings. By working closely with the Scout's Explorer program, beautiful facilities and many summer activites are available. We hope to further develop the Woods and Water program into a strong, and excited group for everyone." Miss Lewis - Sponsor.

National Honor Society

Standing: Terri Timmes, Randy Walker, Dianna Abbott, sitting: Angie Shelton, and Todd DeShong.

The National Honor Society is doing a great job under the supervision of President Todd DeShong and other officers. This club has had various fund raising projects that include dances and different activities. High academic grades are a must to get into this society. Although everybody isn't in every project, this society pulls together as a unit to raise school pride and spirit. The sponsors, Mrs. Ware and Mrs. Hope, have great hope in making this a memorable year, we should give the National Honor Society a big "thanks!"

Student Council representatives are elected by the Student Body for the student body. Representatives work hard at raising school spirit. They also try to get other students involved in school activities. A good deal of time and effort is put out by this group to help the community. Food and toy drives are sponsored for the needy. This group also sponsors the annual Ranch Day program that is so popular at Brewer. The students on Student Council merit the recognition and commendation of the student body for their contribution to Brewer and White Settlement.

Annual Staff

The Annual Staff has a large job because we want to make sure that your year is complete by giving Brewer the best annual ever. The staff works hard to raise money in different activities throughout the year, so that we can produce the annual. Under the strong leadership of Mrs. Finn, the staff gives their best effort. Carrie Fenn, the editor- in-chief makes sure that all projects and the annual are at their finest. The staff members are on a point system this year in which every person must earn 100 points to be able to go to Austin with the staff. This includes coming to meetings, workshops, selling ads, and helping in projects. We should commend the staff for a job well done.

Drama Club

This year's Drama Club, led by the strong leadership of Ms. Deaver, has had a very rewarding year. The only requirements for the club are to have theatrical interests and to be ready to work. The drama club plans to compete in the U.I.L. one act play competition, and to have several productions. This year's officers and club should be congratulated on a great year.

Language Club

This club consists of people enrolled in either French or Spanish classes. The sponsors for this year's Language Club are Mrs. Wright and Mrs. Ware. The only requirements are to be enrolled in a language class, or to have completed two years of language. This year's officers are: president, Debbie Latimer; vice-president, Dianna Abbott, secretary, Cindy Holcomb, and treasurer, Tina Kisselburg. The Language Club has been raising money through many activities to help with their trip to Mexico, planned for late April. The club also competes in the language fair, and last year won first and second place positions in the academic and cultural competition. The Language Club has had a very busy and yet rewarding year.

Paper Staff

This year's Paper Staff, led by Ms. Doss, has had a very good year. The staff, which publishes eight issues of the Bear Facts and competes in the U.I.L. competition also takes an annual trip to Austin with the annual staff. Members of the staff must have an interest in writing and informing the student body and an overall "B" average. An interesting fact about this years paper staff is that Terri Timmes, the editor, is the only former member. Last year the staff won the award of honor at the ILPC competition. The staff should be congratulated on a great year.

Distributive Education Clubs of America

A student who is enrolled in the marketing and distributive education may be in Distributive Education Clubs of America. The club promotes civic consciousness, trains in leadership skills, and helps give understanding in vocational and social awareness. The club hopes to attend the Leadership Lab in Glen Rose, the area contest in Temple, and the State contest in Houston. Last year seven DECA students were National Who's Who, and DECA has won many other area and state contests.

Industrial Cooperative Training

Industrial Cooperative Training promotes interest in Vocational Education and Industrial Cooperative Training contests along with leadership. The club symbolizes technology and research in industry. Ken Barnett, this years new sponsor, plans activities and projects for the club. Industrial Cooperative Training provides students with an excellent opportunity to gain job knowledge, while still enriching this knowledge.

Vocational Occupation Career Training

The VOCT Club, under the supervision of Mrs. Dinkell, has shown outstanding spirit throughout the school year. These students must be enrolled in C.V.A.E. to be able to take part in club activities. The officers have done a superb job at raising spirit and participating in school functions. This club has made positive contributions to the school and the community. Another purpose of this club is to promote an appreciation for the American way of life, develop an understanding for the world of work, and develop individual pride in workmanship. We should congratulate and keep supporting this group.

Office Education Association

This year's OEA has had many very successful years in the past. This year, under the strong leadership of Linda Crouch and Bennye McMullen, the girls have gone to Area, State, and National Competitions and have ranked very well. The plans for this year consist of decorating the hall at a nursing home, and visiting childrens hospitals at halloween in costume. The groups requirement's are to be in an office education class and to promote office education. All of the officers have high hopes for this club. We should commend these students for a job well done.

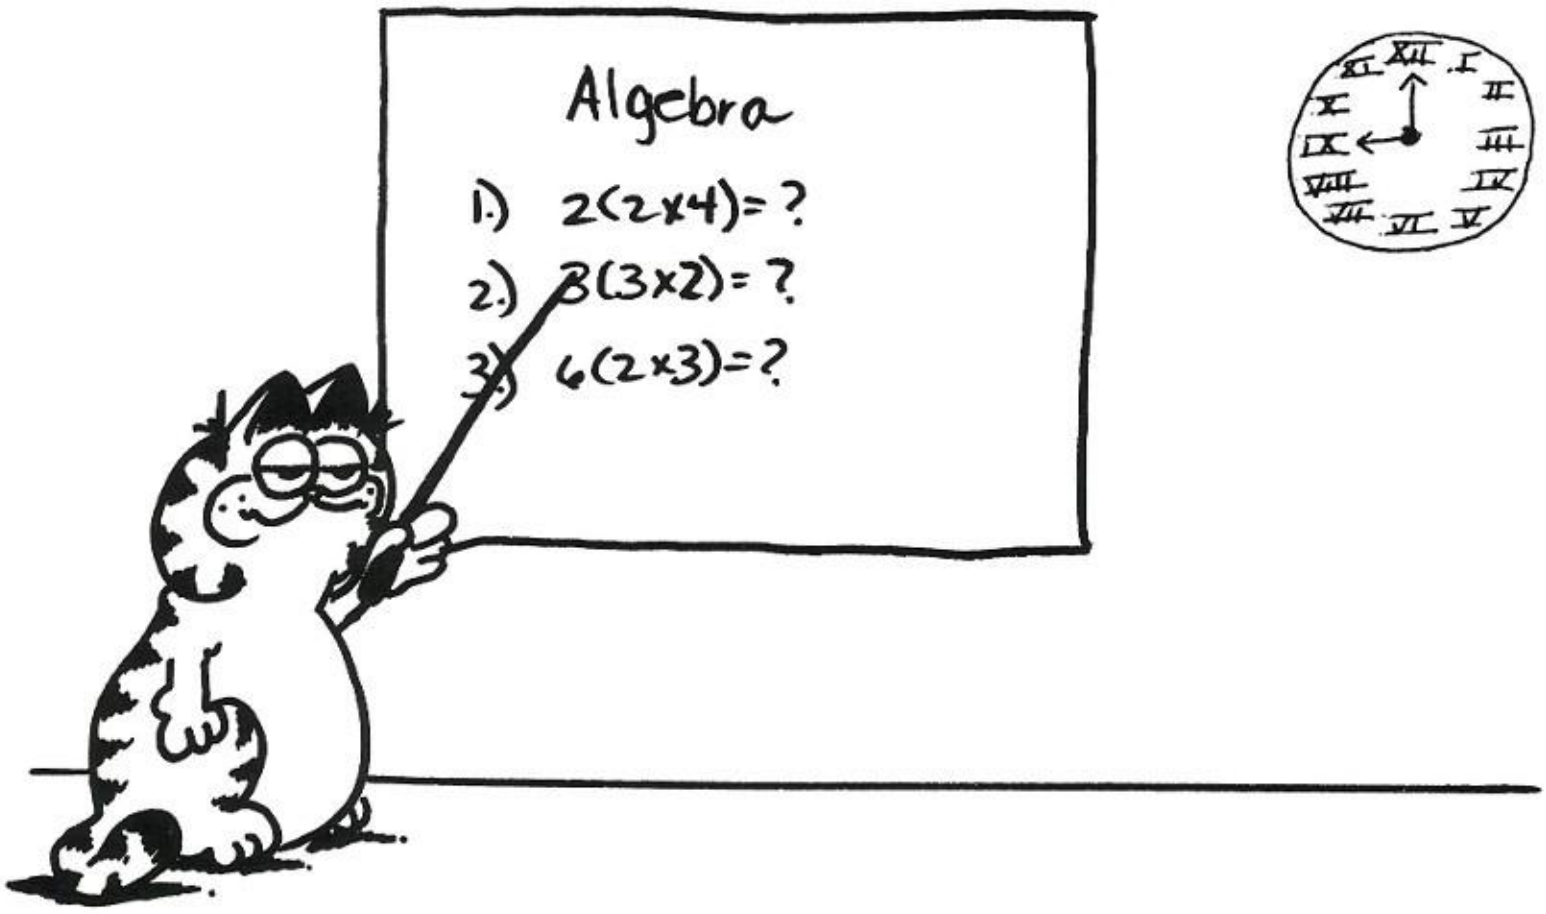
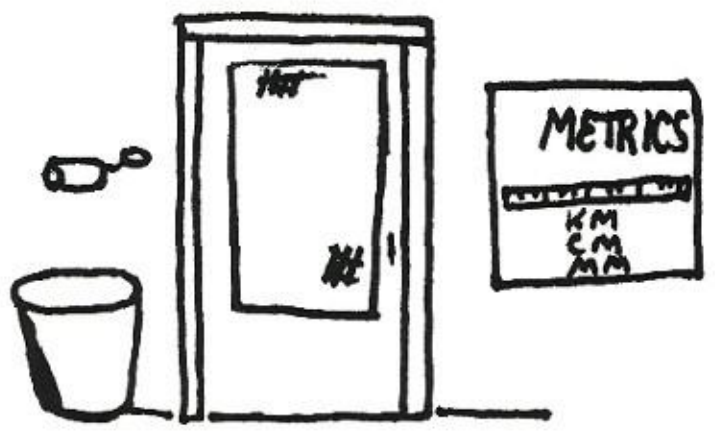
Faculty





There is no school on earth where a group of teachers can be found who care any more about their students than at Brewer. The real reason all of us are here is to learn and our teachers are aware that they shape both our minds and our characters. What we learn from our teachers we carry with us all of our lives. For this reason, our teachers are the backbone of our Bear Spirit; without them our minds would be empty, our spirits dull.

Mr. Clabe Welch is a hard-working, caring administrator for the White Settlement Independent School District.

Some of his accomplishments for the benefit of the school are as follows: He established E.S.L. (English as a Second Language) non-English-speaking students. Mr. Welch made recommendations for the new gym materials which included new mats, new floor a lighting.

Not only is Mr. Welch interested in the school but is also interested in the faculty. He instituted a much-appreciated four-hund dollar a year raise for the local staff.

Mr. Welch shows his interest in the students in other ways as well; for example, he is always present at pep rallies and other stud events.

Student Life

Student Life is the section of the annual devoted to some of the activities of the school year. From the Pucker-Up Contest to Ranch Day, each page has been carefully designed to bring back some happy memories. Here also you will find the dedication page and our editor's message. So, turn the page Bears, it's been a year of high spirits and fun times!

Ranch Day Activities Fill Brewer With Spirit!

Ranch Day at Brewer High catches the eye of everyone from the Big Gulp contest to the ever-famous tug-of-war. Lori Stanford & Randy Reaves received the titles of Ranch Day King and Queen.

The events were the Obstacle course, Horse race, Sack race, Big Gulp, and Tug-of-war. These fun-filled events are all a hilarious way to spend Ranch Day.

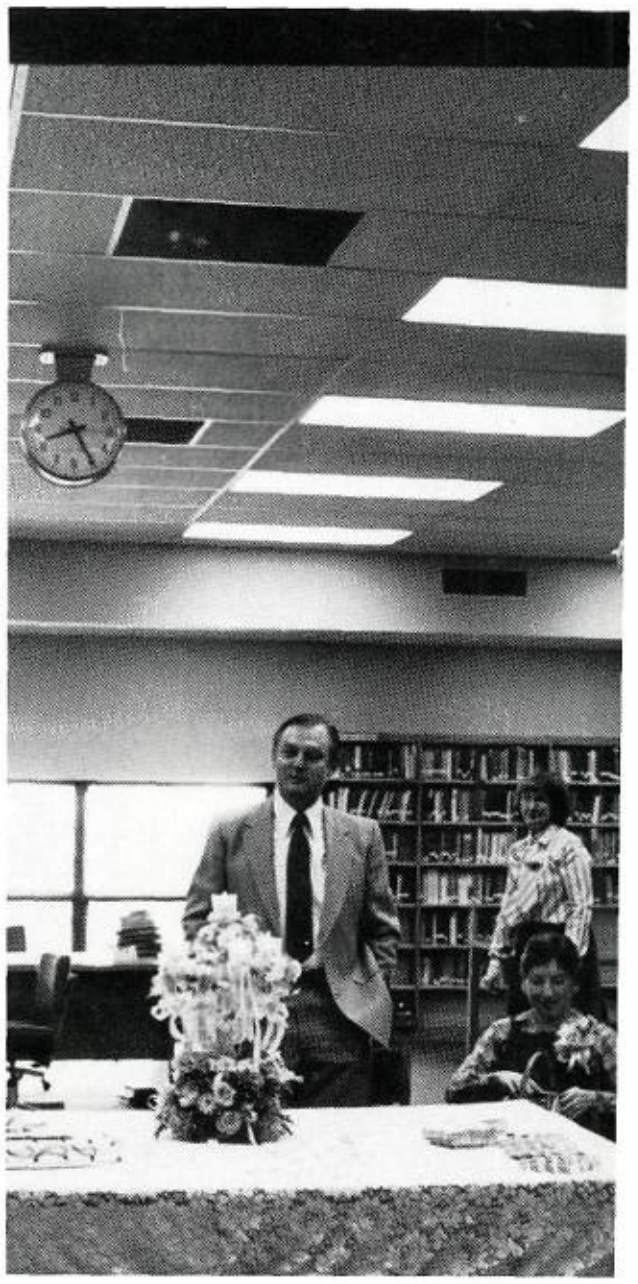
1982-83 Bear Tracks Dedication

The 1982-'83 *Bear Tracks* staff would like to take this opportunity to thank Mr. Eldon Krivanek for his help in producing our annual; without his efforts it would not have been possible. As one teacher puts it, "he's very approachable, pleasant, and concerned about student and faculty as a unit, not divided into groups." His sincere concern is definitely appreciated by all members of this year's staff. Another teacher comments, "Mr. Krivanek is a fine example of a principal and a friend." His fairness and understanding is felt by the students, teachers and community. In addition to our thanks, we would like to offer congratulations to Mr. and Mrs. Krivanek on the birth of their Valentine baby, Christina Marie. It is with great pride that the 1982-'83 *Bear Tracks* is dedicated to Eldon Krivanek, Principal of Brewer High School.



Editor's Message

As editor in chief of the 1982-'83 *Bear Tracks* I learned many things. One of the most important things I learned was what great friends I have; without their help and support I could not have faced the responsibilities of being editor. I'd also like to give Mr. Krivanek and Mrs. Finn a special thanks for their time and trouble.

Being on annual staff has been a unique experience filled with many challenges and rewards that I will remember long after high school. I'd like to reward next year's staff with a truckload of liquid paper and a camera that really works. To the class of '83 I'd like to say Good Luck and I hope everyone enjoys this year's annual for many years to come.

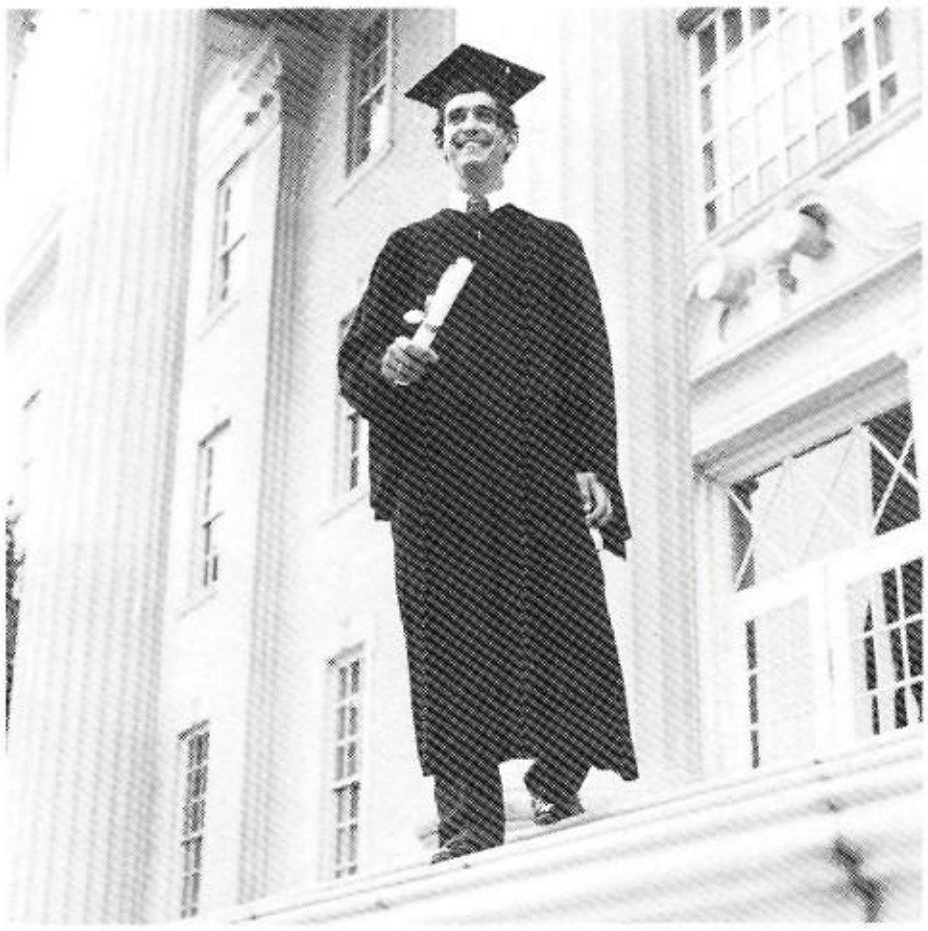
You've got a bright future.
We'll do our part to help keep it that way.



Your generation will need as much electricity as is being used these days. Maybe more. We at Texas Electric are working to provide you with the electricity you'll need for college, your homes and your jobs.

In the past, we've used mostly natural gas and oil to make electricity. Today, we're making almost half of our electricity in plants built to use lignite coal. And, we're building a plant to make electricity using uranium fuel. By using these cheaper and more abundant fuels, we'll help keep your future looking bright.

The 1983 Bear Spirit Review of the Year

The Annual Theme:

We hope you enjoy your annual for many years to come. The theme of our annual was chosen with great care. The term spirit can be defined in two ways: it can be an animated state of the mind or it can have the denotation of a more intangible kind of spirit, the inner spirit. We have made new friends this year, shared new experiences, and matured a little. We have enjoyed some victories and suffered some defeats both in school activities and in our personal lives. Inspite of, or perhaps because of the defeats, we have learned a little more about each other and about ourselves.

Fads and Interests:

Nineteen eighty-three fads include: flashy punk styles, smurfs, leg warmers, and of course, Garfield. Friendship pins came in and out this school year along with Moon Zappa's "Valley Girl". Video games peaked interest and the t.v. shows "Fame", "Hill Street Blues", and "Square Pegs" were big hits just to name a few. The music groups Men at Work, the Go-Go's, and The Motels were popular and favorite teen hang-outs were Dalton's Corner and Rumor's.

Faculty:

Five new teachers and one new, highly-enthusiastic councilor were added to our faculty; Ms. Mary Lewis, Mrs. Karen Chevalier, Ms. Catherine Deaver, Mrs. Suzanne Culbreth, Mrs. Monzetta Wilson, and Ms. Sheen King. Three teachers and one administrator were blessed with 1983 babies; Mrs. Pam DeVoe, Mrs. Renee Nophsker, Mrs. Jennifer Finn, and Mr. Eldon Krivanek. This was Mrs. Nophsker's last year at Brewer and we'll miss her.

School Activities:

The Student Council gave out carnations and sang love songs on Valentine's Day; they also sponsored the Pucker-Up Contest and several other events to increase school spirit. They held successful food and toy drives on Thanksgiving and Christmas. The Language Clubs sang songs at Christmas time in French and Spanish. CVAE got involved this year and won several pep rally spirit sticks. DECA brought home the first place trophy for the Quarter a Mile sponsored by the Muscular Dystrophy Association. The Brewer Bear football team were winners and the band carried on its tradition of excellence. Dances were not as successful as hoped but candy and bake sale fund-raisers were at an all-time high. For the most part, the organizations had a fun-filled and profitable year.
